Motion by Cink and  $2^{\rm nd}$  by Besch to approve amended agenda moving Resolution of Governor from 9:40 a.m. to 10:10 a.m. Ayes: all Nays: none. Motion carried unanimous. Absent: Froehlich

Don McGregor and Don Besch attended meeting for 911. They discussed the tower near Ringsted in hopes a transmitter for 911 be put on it. Pagers for FEMI Grant, were told they were not available. There was an adjustment on sending fax to each department. On 911 signs they are going to change numbers from the 420 to perhaps 420x since so many have been stolen.

Bob Cink had a report on R C & D meeting where wind grants were discussed and 3000 trees were distributed through counties.

Thank you was read from the Swea City Library by Don McGregor.

Sheriff informed the Supervisors of a shed they may be able to rent for some of the Sheriff Department needs. As of last week the jail held 31 prisoners of which 15 were local. Rates were checked for prisoners on work release. The Sheriff informed the Supervisors of Cell Extraction Equipment and schooling for removing prisoners with sharp instruments or knife like pieces. There is a Grant that will pay one half the cost of \$1100.00 for a stab proof vest, of which they will need 5 of. The department blew up a car to show what could happen with meth in it. They have been making some films to show in workshops for students, parents, and anyone interested. They will be having a program in Burt in near future on meth and other drugs.

Motion by Besch and  $2^{nd}$  by Cink to approve Resolution to urge Governor Vilsack to veto Senate File 453 and to fax down right away with letter on inpact on county.

### RESOLUTION #05-01-03

WHEREAS, the Iowa Legislature has passed Senate File 453 and presented it to Governor Vilsack, so that unless the Governor vetoes the bill it will become law; and

WHEREAS, THE \$70 million in funding cuts proposed by this misnamed "Reinventing Government" bill would have a disastrous effect on the services provided by local governments across Iowa; and

WHEREAS, Senate File 453 breaks promises that the state made to local governments, and would result in cuts to locally provided services such as parks, libraries, law enforcement and fire protection; and

WHEREAS, THE Gronstal Amendment and the Miller/Brunkhorst amendment were workable, realistic amendments to Senate File 453 that would have balanced the budget but used state resources to spare some of the cuts to local governments:

THEREFORE, BE IT RESOLVED BY THE BOARD SUPERVISORS OF KOSSUTH COUNTY that the board urges Governor Vilsack to veto Senate File 453.

Don McGregor Chair, Board of Supervisors

Date: May 1, 2003

ATTEST:

Joann Bormann County Auditor

Date: May 1, 2003

Ayes: all Nays: none. Motion carried unanimous.
