

KOSSUTH COUNTY TRANSFER STATION
LOCATED AT THE FORMER KOSSUTH COUNTY LANDFILL LOCATION

FREQUENTLY ASKED QUESTIONS

Question: How can I dispose of latex (water based) paint?

Answer: Fill the can with floor dry or cat litter. Mix the floor dry and paint together, leave lid off can and allow mixture to dry (approximately 8 hours) then dispose of as regular garbage. Leave lids **off** cans so they can be inspected.

Question: What recyclables are accepted at the Kossuth County Transfer Station?

Answer: Acceptable recyclables are listed on the following web page: [kossuth recyclables](#) and the following handout: [kossuth recyclables handout](#)

Question: What are the rates to use the Kossuth County Transfer Station?

Answer: The Transfer Station rates are listed in the following handout: [Transfer Station rates](#)
