Introductions – Christina Yates

Old Business

ISICS System update-More & more agencies, Palo Alto & Pocahontas not fully on ISICS yet. Makes it more difficult to communicate with them, unlike Hancock & Winnebago County. Don/Christina will be going out to the departments to do training on the radios.

Radio Order – 20 radios have been ordered per request from each department. Should be shipping in June/July.

Zetron Iowa Shared Services – Software upgrade & PC replacement occurred on March 25th. No crashes since then. Derek escalated with the CEO of Zetron's owner & then things started happening with getting it fixed, prior to that the issue had been dragging on.

911 Street signs project status-Signs have been delivered, Christina to start reminding the cities to get their signs installed.

911 Rural address signs project status – Project completed, now in maintenance mode. Christina will be adding/removing signs as needed.

House numbers project update-Detail on missing numbers has been provided to the cities. Christina will be getting in touch with the mayors to push that project forward. Please remind your cities to get the house numbers installed.

By-law change for elections – July 2024 – will have first reading on changing election timelines.

New Business

Update from Derek on SF2385 & HF2652. No changes to the state level 911 Council & no funding cuts from 911 for the 3.5 million that was proposed.

Next meeting July 23, 2024 7:00PM – ERTC (Emergency Response & Training Complex)

Motion to adjourn at Charissa Mueller 8 pm. Second Jeff Broesder. Motion carried.
