Last Name (mandatory)	First Name (mandatory)	Middle Name (recommended)

For complete criminal history record information, as allowed by law, always obtain a signed release from the subject of the request.

This form (DCI-77) is the only approved release authorization form for this purpose.

Release Authorization: I hereby give permission for the above requesting official to conduct an Iowa criminal history record check with the Division of Criminal Investigation (DCI). Iowa Criminal History Record Check Results

(DCI use only)

As of _____, a search of the provided name and date of birth revealed:

- ☐ No Iowa Criminal History Record found with DCI
- ☐ Iowa Criminal History Record attached, DCI # _____
- DCI initials _____

Release Authorization Information:

Iowa law does **not** require a release authorization. However, without a signed release authorization from the subject of the request any arrest over 18 months old, **without** a final disposition, cannot be released to a non-law enforcement agency.

Deferred judgments where DCI has received notice of successful completion of probation also cannot be released to non-law enforcement agencies without a signed release authorization from the subject of the request.

If the “No Iowa Criminal History Record found with DCI” box is checked, it could mean that the information on file is not releasable per Iowa law without a signed release authorization.

General Information:

The information requested is based on **name** and **exact date of birth only**. Without fingerprints, a **positive** identification cannot be assured. If a person disputes the accuracy of information maintained by the Department, they may challenge the information by writing to the address on the front of this form or personally appearing at DCI headquarters during normal business hours.

The records maintained by the Iowa Department of Public Safety are based upon reports from other criminal justice agencies and therefore, the Department cannot guarantee the completeness of the information provided.

The criminal history record check is of the Iowa Central Repository (DCI) **only**. The DCI files do not include other states’ records, FBI records, or subjects convicted in federal court within Iowa.

In Iowa, a **deferred judgment** ***is not*** generally considered a conviction once the defendant has been discharged after successfully completing probation. However, it should be noted that a deferred judgment may still be considered as an offense when considering charges for certain specified multiple offense crimes, i.e. second offense OWI. If a disposition reflects that a deferred judgment was given, you may want to inquire of the individual his or her current status.

A **deferred sentence** ***is*** a conviction. The judge simply withholds implementing a sentence for a certain probationary period. If probation is successful, the sentence is not carried out.

Any questions in reference to Iowa criminal history records can be answered by writing to the address on the front of this form or calling (515) 725-6066 between 8:00 a.m. and 4:00 p.m., Monday - Friday.

REMINDER - (1) Send in a separate Request Form for each last name, (2) a fee is required for each last name submitted, (3) a completed Billing Form must be submitted with all request(s).

Iowa law requires employers to pay the fee for potential employees’ record checks.

General Consent for Pre-Employment Full Query of the Federal Motor Carrier Safety Administration (FMCSA) Drug and Alcohol Clearinghouse

I, _____, hereby provide consent, to allow **Kossuth County** to conduct a full pre-employment query of the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse (Clearinghouse) to determine whether drug or alcohol violation information about me exists in the Clearinghouse.

I understand that if the full pre-employment query conducted by **Kossuth County** indicates that drug or alcohol violation information about me exists in the Clearinghouse, FMCSA will not disclose that information to **Kossuth County** without first obtaining additional specific consent from me.

I further understand that if I refuse to provide consent for **Kossuth County** to conduct a full pre-employment query of the Clearinghouse, **Kossuth County** must prohibit me from performing safety-sensitive functions, including driving a commercial motor vehicle, as required by FMCSA's drug and alcohol program regulations.

I also understand that if I refuse to provide consent to the Clearinghouse, it will prohibit me from performing safety-sensitive functions, including driving a commercial motor vehicle, as required by FMCSA's drug and alcohol program regulations.
