The following results are not final until the 2<sup>nd</sup> tier canvass. The results you see below are only Kossuth County results. This is because abstracts are needed from other Counties in order for Kossuth County to complete our results. These abstracts can't be received until all counties complete their 1<sup>st</sup> tier canvass. This is due to the City and School election being combined this year and also the reason for the 2<sup>nd</sup> tier canvass. These results will also appear in the 2<sup>nd</sup> tier canvass and at that time we will have an \* by the person(s) duly elected for that office.
